GIZ Indonesia's Cooperation with the Private Sector

- Public Private Partnerships in order to increase the amount of available financial, technical, personal and natural resources → **higher impact**
- GIZ collaborates with several companies of the Private Sector, i.e. within the scope of the **develoPPP.de programme**
- GIZ's **Business Hub** attracts the private sector by providing knowledge exchange and sustainable solutions in the agribusiness sector
- Examples of partner companies in the private sector:

Did you know, that

GIZ supported the establishment of the National Health Insurance in Indonesia?

Did you know, that

**GIZ cooperates
with companies to
foster sustainable
tourism in
Lombok?**

Did you know, that

**GIZ supports the
Indonesian Government
to fight climate change?**

Terima kasih Thank you Danke
